

Dear Sir or Madam:

Home Furnishings Solutions was created to provide our customers with the service and value of complete interior/exterior furnishings to meet your expectations of budget, schedule and style. We are located near Hickory, NC (the heart of furniture manufacturing), a member of the Catawba County Chamber of Commerce, the North Carolina Home Builder's Association and the Better Business Bureau.

Home Furnishings Solutions:

- Specializes in **contract interior furnishings for hospitality, residential and commercial properties.**
- Focuses on the needs of the Real Estate Investors, Developers, Builders and Homeowners and believes in **saving money and effort.**
- Provides **complete interior furnishings for customers** who do not want to spend the time, energy or have the expertise to furnish their project
- Coordinates **interior design, selection and installation** within the scope, style and budget you are looking for.
- Picks up where the builder leaves off, **furnishing the entire property** or simply **sourcing and installing all the furniture.**
- Offers an **extensive range of products (over 140 suppliers)** which allows us to focus on whatever price point or design theme you require to meet your property expectations.

We would appreciate the opportunity to meet with you and discuss how we can help you with your next home or project. Customer references are available upon request.

We will be available at your convenience toll free at 866-834-2701.

Respectfully Yours,
